To all ESGS Inc. clients and customers,

As of October 1, 2012, the ESGS store located on the main floor of 150 Henry Avenue will no longer be operating as a 'store front'. As our valued clients and customers, we wanted to inform you.

This does not mean that ESGS Inc. will no longer be functioning as the Manitoba Metis Federation procurement and purchasing agency, as we will continue to source and fulfill all MMF and regional orders.

In its place will be, MEDO Care pharmacy, opening November 15, 2012. MEDO – as the Crown Corporation for the Metis government has decided to establish a retail community pharmacy to be based out of the Metis Government House at 150 Henry Avenue in Winnipeg.

Called 'MEDO Care', its services will be dedicated to improving the health outcomes of the Manitoba Metis population. Its goal will be to provide superior care through services and programs to the Metis people as its primary clientele.

This is a very exciting time for us all at MEDO as we move towards our goal of improving the quality of life for the Metis of Manitoba. We wanted to take the time to thank you for being a loyal customer of ESGS store and look forward to your support of the MEDO Care pharmacy.

If you have any questions or comments regarding the business closure, please feel free to contact us by phone at 204942-3575

Regards,
